

## How to find us.

### Coming from the South and South West

Start by aiming for Gloucester either via the M4/A419/A417 from the South East or M5 up from the South West.

At Gloucester follow the signs for Ross on Wye using the A40, which will take you over the top of Gloucester and over a series of roundabouts. Shortly after the Ledbury roundabout (cross over, don't head for Ledbury) the road opens up into dual carriageway and you will pass a pub and farm shop on the right. After less than quarter of a mile take the right turn with the lights on to the B4215 to Newent.

After around 7 miles you will skirt round Newent and come to some lights where you need to turn right continuing on the B4215 heading for Dymock and beyond.

Follow the B4215 to the roundabout at Preston Cross, cross over taking the A4172 up to the lights at the Trumpet cross roads (by the pub) and then cross over onto the A417 heading for Ashperton and Leominster.

After 3.2 miles you will come to Stretton Grandison and immediately after the village sign you will see a turning to the right to Upper Eggleton. Take the turning and then follow the lane over the cattle grid and through the Homend park.

Just after the second cattle grid by the cottage, you will see an unmarked turning to the right - take this and follow it down to the farm at the end.

### Coming from the North.

Head down the M5 and come off at Junction 7, taking the A44 towards Worcester and then after quarter of a mile at the roundabout take the first left on to the A4440 heading towards Hereford. Staying on the A4440 you will cross over a further four roundabouts and then at the fifth you need to take the first left turn on to the A4103 for Hereford.

Stay on the A4103 for about 12 miles, passing the tank parked on the right at the top of Fromes Hill and then carry on down the hill. After a couple more miles you will come to a small turning to the left signposted Upper Eggleton.

Turn left up the hill, follow the lane up over the hill, past the Moor Court B&B on your right and then on down the hill. At the bottom of the hill there is an unmarked turning to the left before a cottage and cattle grid - take this and follow it down to the farm at the end.

### Coming from the West and North West

Either head for Hereford and then take the A4103 towards Worcester or come down the A49 to Leominster and then head south on the A417 at Hope under Dinmore. Both roads will bring you to the junction of the A417 and the A4103 known as Newtown Cross Road with the Texaco garage and traffic lights.

Take the A4103 heading towards Worcester. After about a mile you will come to a turning to the right to Upper Eggleton.

Turn right up the hill, follow the lane up over the hill, past the Moor Court B&B on your right and then on down the hill. At the bottom of the hill there is an unmarked turning to the left before a cottage and cattle grid - take this and follow it down to the farm at the end.
